

Instructions

Each Page Makes 3 Tracts

1. Print Tract Page Double Sided. I use heavy card stock 110lb.

2. Cut along both horizontal lines. You now have 3 identical strips.

3. Fold along the first vertical line so the text "Have you worked out your Salvation?" shows in front.

4. Complete the tract by folding the back so the "Prayer does not have to be perfect" is on the back.
